M ISSION STATEMENT

Our mission at Michelangelo Homes, LLC is to make the building process a positive and rewarding experience for our customers by providing them with the highest level of customer service and incomparable craftsmanship.

We strive to achieve this goal by anticipating client needs, offering specialty materials that we directly import from around the world, introducing innovative ideas and systems for Energy Efficiency and Green Building Practices, providing professional advice on proper selections, and protecting our clients' investment through our comprehensive three-year warranty.

This three-year warranty is unparalleled in the industry and includes everything from replacing light bulbs to coordinating warranty and maintenance work. In addition, we offer a standard 2-10 warranty program to every customer, plus a ten-year limited structural warranty.

Through our sister company, Total Home Concept, we provide clients with a call resource to handle any and all warranty needs along with a complete list of customizable concierge services.

This comprehensive program was designed to give our clients additional peace of mind and in turn enhance the value of our customer-oriented programs.
